The Committee on Foreign Missions made the following report which was adopted:

REPORT ON FOREIGN MISSIONS.

Before the ascension of Christ he commanded his church to go into all the world and preach the gospel to every creature. To obey this command she must send the gospel to all nations; nor will her mission be complete until the people in the streets, lanes, highways and hedges have heard of the power of Jesus to save. "The gospel is the power of God unto salvation to every one that believeth." But how can they believe in Him of whom they have not heard? How shall he preach except he be sent. There was a time when the church could not go through her agencies into every nation. But, thank God, that time is in the past. Every nation is now open to the Gospel. Let us then, "Go up and possess the land." "Say not ye, there are yet four months and then cometh harvest. Lift up your eyes and look on the fields for they are white already to harvest."

Rome, Imperial Rome, so long closed to the glad tidings of a simple faith in Jesus, is now ready to welcome the messengers of the cross; and we are devoutly thankful to Almighty God that the gospel is preached there by our churches, and not only in the city of Rome but from the Alps on the north, to the extreme south of Italy, the shouts of redeemed souls may be heard. The baptism of believers has been administered in the rivers Po and Tiber. At several important stations we have churches and hardby the Roman Vatican, we have a chapel which cost \$26,000, and we are glad to announce that Mississippi has paid her quota. Also, China, teeming with her 480 millions of people, is being occupied by our missionaries; and it is pleasing God, through the gospel proclaimed by them, to save those that believe.

Brother Graves at Canton, recently baptized twelve converts, and Dr. Yates baptized three at Shanghai, China. Brother Simmons and wife will return to China this fall, (D. V.)

Brethren our work is one of encouragement. There was an average of thirteen converts to foreign fields to every foreign missionary last

year. There has been a great ingathering of converts by our mission to the Teloogoo people in the Madras Presidency. The number baptized from June exceeded five thousand. On one day over two thousand were baptized. It is impossible to assign any limit to such a work.

"The Lord has done great things for us, whereof we are glad." Your committee recommend that each church in this Association give of her means to Foreign missions. That every Pastor preach on the subject to his church and urge them to take our Foreign Mission Journal.

Respectfully, W. L. SKINNER.

On motion the Association adjourned to hear a sermon by Elder G. W. Potter at 11 o'clock, a. m.

1½ O'CLOCK, P. M.

Association re-assembled. Prayer by brother J. A. Kimbrough.

The committee on Domestic Missions made the following report, which was adopted:

DOMESTIC MISSIONS.

The Mission work is certainly the chief work of this Association. This body was organized to do more effectively this great work. For this purpose it seems Christ established the Church, and said to his disciples, "Go ye into all the world and preach the gospel to every creature." The work, therefore, is ours; it was committed to us as the servants of Christ. If we are negligent or indifferent about it; if we refuse to labor for our Master; nay, if we are only idlers in a work of so great importance—"A work that filled a Savior's heart and would fill an angel's hands;" if we fail to obey the last great commission of our departing Lord, can we hope to be welcomed by a "well done good and faithful servant," when we have spent our lives in ease? Never before, perhaps in the history of our Association, has the call for aid in the Home Mission work been so urgent. Within the last two months death has done a most fearful work in our State. Towns have been almost depopulated, and churches that a few months ago were flourishing, are now helpless. Pastors have fallen and their places must be filled by Missionaries. Districts that once contributed largely and liberally to send the gospel to the destitute, have become destitute themselves. They stretch out their hands emaciated by the scourge and ask the more favored districts to send not only literal food for famishing bodies, but send also the Bread of Life to the hungry, starving souls. Perhaps one half of our territory is destitute of Baptist preaching; and even churches in our bounds are asking for help. Shall we not heed their cries? Shall we not help the needy? Brethren, we do believe that the generous people of Tippah Association will respond nobly and promptly when these facts are made known. We recommend, therefore, that the subject of Missions be discussed and

the present needs be made known by the pastors and others and every church be urged to do something in this great work, by pledges. We further recommend that our Board employ an efficient man for as much time as possible to supply the destitute points. We further recommend that our Board co-operate with the State Mission Board.

Respectfully submitted.

W. E. BERRY,
W. D. LANCASTER, } Committee.

The following resolution was adopted:

RESOLVED, That the Association urge each church within her bounds to send up annual pledges for Home and Foreign Missions.

On motion, the Association adjourned until Monday morning at 8½ o'clock. Prayer by Elder W. L. Skinner.

SABBATH.—Elder M. P. Lowrey occupied the stand at 10 o'clock, Elder L. Ball at 11 o'clock, and Elder Burress at night.

MONDAY MORNING, 8½ O'CLOCK, September 23rd, 1878.

Association met according to adjournment. Prayer by brother D. E. Gammell.

The committee on Education made the following report. Interesting speeches were made by Elders M. P. Lowrey, W. D. Lancaster and J. L. Johnson, and then adopted:

EDUCATION.

Solomon said get wisdom—buy it and sell it not. There may be a difference between wisdom and knowledge. But, as the one may be the parent of the other, they are somewhat inseparable. It is generally admitted that there is a difference between one that knows and one that don't; and the difference is in favor of the one that knows. This being admitted, the question of duty is plain, and the necessity impressive.

To specify the advantages is not necessary. Observation alone should be sufficient. Knowledge is said to be power. If this be true it may be a power for evil as well as for good. Special regard should be had to this: The design, manner, and matter of education. The time, not the least important. We are glad to mark an increase of disposition to educate and be educated. We are happy to know, that in our midst we have a number of excellent schools; perhaps there is not another Association in the State so blessed.

We have Blue Mountain Female College, at Blue Mountain, Miss.; Stonewall Female College, Ripley, Miss.; Blue Mountain Male Academy, at Blue Mountain; Ripley Male Academy, at Ripley, Miss.; Ashland High mixed School, at Ashland, Miss.; and then we have our State University and Mississippi College. These are permanent schools, and controlled by those whose heads and hearts are right on

the subject in all its bearings, on the intellect, heart, soul, morals and manners. These make the classes of schools upon which we may depend for the education of our people. The free school system is a comparative failure. We esteem it our indispensable duty to educate and be educated, though it be at the greatest sacrifice.

Respectfully submitted.

L. BALL, Chairman.

The committee on Sabbath Schools made their report. The Association was addressed by brother J. M. Murphy. The report was then adopted:

REPORT ON SABBATH SCHOOLS.

Your Committee on Sabbath Schools submit the following report: At the reading of the letters from the different churches our hearts were made sad that so few of them reported Sunday Schools? Why is it so? It is not because there is not material enough surely, for where there is material for a church there is enough for a Sunday School. Where then is the fault?

Brethren, I fear we have failed to find the right man for our Superintendent. Much depends upon this. Let the churches select the right men for Superintendents and Teachers; supply them with uniform lesson papers; and send Delegates to the Sunday School Convention, where they will get a great deal of instruction in the Sunday School work. We believe the Sunday School work would be a success with God's blessings upon it. It will be so.

Respectfully submitted.

J. M. HORTON, Chairman.

The Committee on Finance made their report, which was received and agreed to:

REPORT ON FINANCE.

We your Committee on Finance, report the following amounts from the different churches for Minutes, which amounts we have handed to the Clerk:

3 O'CLOCK, P. M.

Association met according to adjournment.

The Committee on Publication made the following report, which was adopted:

REPORT.

Your Committee on Publication beg leave to submit the following report:

Believing it to be the duty of our people to read, and that we should read nothing but that which is good and profitable, we would recommend the Bible above all other books. As a religious paper, we would recommend the Baptist Record, edited by Elder J. B. Gambrell, at Clinton, Miss.; and we would urge upon our people the necessity of taking this excellent paper. That we keep posted on the Mission work, we recommend the circulation of the Foreign Mission Journal to be used in our Sunday Schools. And, as a Sunday School paper, we recommend "Kind Words" and its lesson papers.

Respectfully submitted.

L. P. COSSETT, Chairman.

The Executive Board made the following report, which was adopted:

EXECUTIVE BOARD.

The report one year ago showed the Board in debt and pledges unpaid. By an oversight the Board had promised more than the pledges made. At our last meeting nothing reliable was done, beyond a request that pastors would present the subject and appeal to the churches for contributions. Your Board knew not what to do. But immediately an opportunity offered itself to secure the services of brother W. L. Skinner, for a part of his time. Without waiting to hold a formal meeting, the Chairman of the Board engaged him for one half of his time to be appropriated to Pocahontas and Falkner at a salary of one hundred dollars, not a dollar of which was in hand. Faithful labor has been bestowed and a continuance of help recommended by our Missionary.

We have succeeded in collecting enough from old pledges and otherwise, to satisfy brother Gadd, though his entire salary has not been paid. This leaves us in debt only for brother Skinner's services. Your Board desires that some assurance be given by which the money will be raised between this and the close of the year.

Brethren, we are doing but little to occupy the vast destitution in our bounds. Is it because we cannot do more? The small sum of 25 cents from each member will place us out of debt, and leave money

in hand. Can't we raise that amount? If we can, and do not, will the Master say "Well done," or "slothful," at the time of reckoning? Shall we heed the Master who says, "Go up and possess the land, occupy till I come," or shall the work stop? We appeal to you, brethren, and bid you awake to this important work. Your Board believes it possible. Is it a mistake? May the Lord grant us greater liberality and a deeper sense of our duty to preach the gospel to every creature.

Respectfully submitted,

L. BALL, Chairman.

P. S.—Since writing this report, \$5.00 have been received from Canaan church.

The following amounts pledged for Domestic Missions:

J. M. Murphy,	\$5 00	W. E. Berry,	\$10 00
Thos. Moore,	5 00	New Hope Church,	10 00

Total amount, \$30 00

The next Association will be held with New Hope Church, twelve miles north of Blue Mountain, commencing Friday before the 4th Sunday in September, 1879.

On motion Elder L. Ball was elected by acclamation to preach the next Introductory Sermon. Elder J. C. Gadd, Alternate.
